

**Shorewood Boosters
Monthly Meeting
October 1, 2018
7:00-8:00 pm**

I. Welcome and Introductions

- II. **Mission and Guiding Principles:** The mission of the Shorewood Boosters is to promote pride and spirit at Shorewood High School by encouraging participation and engagement in clubs, teams and activities.

- III. **Administration:** Taking care of business

- IV. **Engagement:** Fulfill our mission by increasing volunteerism and membership.

Booster Presence: Engaging with families and students whenever possible. Boosters support clubs and teams-let's show this by showing up.

Membership: Update on current status and how to join.

Volunteering: Overview of volunteer needs and how to sign up; notice of volunteer list on each agenda.

Communication: [www.Shorewood Boosters.com](http://www.ShorewoodBoosters.com). Monthly newsletter emailed the middle of each month.

- V. **Funding:** Work to ensure funding for our mission

Gear: Part of the Booster Presence. How to recruit more volunteers? : Vicky Jaquish reported on the status of SW gear. She reported that sales are moving more to online. Christina Nelson was wondering if gear volunteers could have a special ticket, entrance or stamp in order to alleviate standing in long ticket lines? Also, Mary Rich was inquiring about gear sale volunteers could designate their time/pay to an organization of their choice just like concessions do. Vicky inquired about the number of stickers remaining. A count will be done.

Spring Fundraiser: Vicky Jaquish (vice-president@shorewoodboosters.com) shares information.

Other Fundraising Ideas: Interested in other opportunities? Connect with Vicky, Lori or Mary. There was discussion on is there a way to help smaller clubs or teams to fundraise besides the auction. Mary is asking that anyone who has an idea to help these smaller organizations to let her know. Talk was centered around pizza sales before games. Lori Trull suggested a parent

site for purchasing shirts for their child's organization or team. Vicky also inquired about Amazon Smile. Do freshman parents know about this? This is pending.

Concessions: Sign-ups online. Why do we do this? What does it do for teams and clubs? Other opportunities for concession sales?

VI. **Accessibility:** Remove barriers for students to participate in clubs and teams. The Shorewood Experience: Establishing protocols for systematic donations to the fund. Creating a committee to plan what this looks like for this year and beyond. Those that are interested, please contact the co-presidents

VII. **Participation:** Promote student participation through broad communication
