

# Shorewood Boosters

## October 24, 2018 Newsletter

### Who Are We?

The Boosters are Shorewood families interested in building school spirit and participation in the clubs and teams at our school. From drama to football to choir to basketball—each club and team at our school offers the opportunity for students to engage in a way that enhances their high school experience. Our mission is to support these groups, and to make them accessible to all students. We are a diverse group, with diverse interests. If you see something here that interests you, please get involved! Your ideas and participation are welcome. You can find out more about Boosters on [our website](#).

### Club & Team Events

Would you like to host an event to raise spirit in your club or team? Have an idea for a fundraiser? The Boosters are here to help. From planning to organizing to day-of support, we're your partner. Contact [events@shorewoodboosters.com](mailto:events@shorewoodboosters.com) to get started.

### Spring Fundraising Event

Love a community-building fundraiser? Us, too! Please join us for the Spring Fundraiser Kick-Off Event on **November 1 at 7:00pm** in the Shorewood Library. Hear about our plans for the event, share your ideas, and learn about ways to be involved. Volunteering is not required (though you may find something you like!), and refreshments will be served. Questions? Contact [vice-president@shorewoodboosters.com](mailto:vice-president@shorewoodboosters.com).

### Communications Volunteer Needed

Boosters is looking for someone to help collect our information and get it out to families. Hours are flexible and vary from month to month. There's lots of support, and you'll work closely with the Booster co-presidents as a team. Please contact us for more information at [president@shorewoodboosters.com](mailto:president@shorewoodboosters.com).

### From Shorewood Student Leadership

A HUGE thank you to all the parents who donated treats for the Homecoming Dance—it was a HIT with the students, and we hope to do it again next year!

The 2<sup>nd</sup> Annual Apple Cup Dog vs Cat (DAWG vs Cougar) food drive is November 6–16. Bring in dog food if you are a UW fan, or cat food if you are a WSU fan. All items will be donated to a local pet shelter. The 'winning' team gets to keep that school's colors and decorations in the Commons during the week of Apple Cup (November 19–23).

### Raise \$\$ By Volunteering

The popcorn is calling! Raise money for your club or team by volunteering in the concession stand during games and other events. It's easy and fun—sign up for an evening or two, or three! Sign-up is [here](#). Questions? Contact [concessions@shorewoodboosters.com](mailto:concessions@shorewoodboosters.com).

### Funding the Shorewood Experience

As an organization supporting clubs and teams at our school, we want to ensure access to these for all students—regardless of ability to pay. Join us for a conversation about how to remove financial barriers to participation. We know we can't do it all, though we think we can make an impact. We'll be meeting on **November 15 at 7:00pm** in the Shorewood Career Center to talk about the Shorewood Experience and how we can increase accessibility. We look forward to hearing your ideas! Questions? Contact [president@shorewoodboosters.com](mailto:president@shorewoodboosters.com).
